

Dynamic Solutions to Keep You Moving

Jillamy is a single source logistics provider offering customized solutions to today's complex supply chain challenges. Our list of services includes: Air, Ocean, Rail, Drayage, Warehousing, Packaging & Fulfillment.

Founded in 2001, [Jillamy](#) started as an intermodal marketing company and has evolved into the largest agent in the Mode Transportation Network. Starting in a small office just outside of Philadelphia, Jillamy has grown to 13 offices and 15 warehouses with cross dock locations providing nationwide coverage to our customers.

For 20 years, Jillamy has specialized in delivering truckload, less-than-truckload, intermodal, air and ocean services across North America; as well as international freight and brokerage solutions. Providing best in class customer service and dynamic solutions, our focus is to keep our customer's supply chains moving. The recent acquisitions of Provident Marketing, AM Transportation and Karol Fulfillment, has made Jillamy a true full-service supply chain manager. Our newly expanded footprint enables us to offer complete supply chain solutions to accommodate our customers' unique freight forwarding, warehousing, packaging and fulfillment needs while ensuring reasonable costs.

[Jillamy Warehouse and Packaging](#) offers diversified solutions for your warehousing, packaging and fulfillment needs. Operating in excess of 1.25 million square feet of warehousing space and over 500,000 square feet of production space, we can offer the flexibility and scalability to accommodate the ebbs and flows of your inventory. Our fully staffed facilities are FDA compliant and follow SQFI guidelines for food safety that are bench marked by GFSI standards. Spanning the metropolitan Philadelphia area, our strategically located facilities provide access to all major highways from each location.

With our extensive experience in [transportation services](#) – coupled with our warehousing, cross docking and fulfillment capabilities – Jillamy can fully manage your supply chain to accommodate your specific needs nationwide.

Peak season, inventory overflow or if you have outgrown your existing space; Jillamy can create a cost-effective solution that is suited to your distinct supply chain requirements.
